## PROFESSIONAL CAREER PORTFOLIOS

### A Resume Super Charger!

An online website portfolio is a **permanent career asset** which can serve you in advancing your career interests through business networking for many years.

While standard employee profiles and resumes/cv's provide basic information, career web portfolios add an powerful intensity of information that provides incredible benefits.

- ✓ Resume Supercharger with powerful graphics.
- ✓ Accelerates the job search campaign and networking activities.
- ✓ Distinguishes oneself from competition. You went the extra mile!
- ✓ Enhances networking effectiveness.
- ✓ Strengthens phone interviewing, increasing one's ability to get in-house interviews.
- ✓ Enhances live interviewing, and demonstrates technology savvy.
- ✓ Elevates a person's credibility and value, with a compelling presentation.
- ✓ Much more effective & professional than a traditional resume.

Your Career Web Portfolio is a complete representation of you! With so much information it may even replace your first interview!

A forward-thinking business process and cutting-edge technology helps you deliver!
